

JUNE 7, 2013

WORLD OCEANS DAY

Why do we study the oceans?

And what gives us hope for their future?

The UBC Fisheries Centre hosts a panel discussion to mark World Oceans Day 2013 with researchers from across the university, featuring:

Dr. Simon Donner, Assistant Professor, Geography

Dr. Tony Farrell, Chair, Sustainable Aquaculture and Professor, Zoology and Land and Food Systems

Dr. Maite Maldonado, Associate Professor/Canada Research Chair II Earth, Ocean & Atmospheric Sciences

Dr. Charles Menzies, Associate Professor, Anthropology

**Coffee and tea:
10:30 am
AERL lobby**

**Panel
presentation:
11 am – noon
